Clutch Flap

With the back of the clutch facing you, pick up and knit 49 sts (you would think you should pick up 60 but with the textured pattern the body is knit in, it is tricky. 49 sts will fit the width).

Repeat Row 1- 4 until flap measures 5 in. bind off loosely

Weave in ends and block to measurements

Make lining according to instructions on the pattern page and hand stitch in place. Enjoy your glam new clutch!

Lining Instructions

Use an 8.5 by 11 in. piece of paper as your pattern piece and cut 2 from your lining fabric (I used Dupioni Silk).

With right sides together stitch around the perimeter using a 1/4 in. seam, leave a 2 in gap for turning.

Press seams open and trim the corners

Turn your lining right sides out and press again. Top stitch to close the gap and finish the lining.

Hand stitch in place along the knitted hem on the inside of the clutch.

Enjoy your new glam Pearl Clutch!
